INFORMATION

In view of the growing threat posed by the COVID-19 virus, the employees of the Frankfurt (Oder) city administration are also called upon to limit their social contacts in everyday work to the minimum necessary.

For this reason, the Lord Mayor of the City of Frankfurt (Oder) has decided that this institution will be **closed** for presence operations until further notice.

In matters that cannot be postponed, citizens can contact the Kommunales Integrationszentrum by e-mail and telephone. A decision will then be made on a case-by-case basis.

The Kommunales Integrationszentrum can be reached Monday to Friday as follows:

TELEFON: 0335 552 5180
E-MAIL: Info-KI@frankfurt-oder.de

Regular clients are requested to contact their responsible consultant:
